TURF PUTTING GREENS AND TEES.

During the past summer the management of the different hotels on the Gulf Coast have spared no expense in improving and keeping up the golf courses connected with their respective resorts. Special attention has been paid to the fair and putting greens. Tournaments will be held throughout the season, and a competent professional will be in charge of each course.

For golf information address the hotel managers direct.

A. E. DICK

RY TO APRIL.
MANAGER.

THE Tampa Bay Hotel, at Tampa, Florida, is unquestionably the most luxuriously appointed hotel in the South, and contains every provision for comfort and health, with cuisine and service unsurpassed. It is an absolutely fireproof structure. The park surrounding the hotel is as attractive as a bountiful nature and the skill of landscape gardeners can make it.

A new nine-hole golf course has been completed immediately adjoining the hotel, which is now in excellent condition.

A complete hydro-therapeutic plant has been established in connection with the hotel, for patients who desire to be treated with water as a curative agent, under the method employed by the famous Professor Charcot of Paris. Fine swimming pool. Launches in readiness to convey pleasure parties.

For full information, address A. E. Dick, Manager, 12 West 23rd Street, New York, until December 25th, 1901, after that date, Tampa Bay Hotel, Tampa, Fla.
